Pricing is based on the number of Vorne XL devices.	OEE Alert	OEE Studio	OEE Suite	OEE Connect
5-Pack	*	*	\$8,922	
10-Pack	\$7,920	\$7,920	\$12,745	**
Each after Pack purchase	\$615	\$615	\$995	

** - OEE Connect is priced per site starting at \$6,595 for standard configuration. Customization cost is quoted on time and material basis. Please contact us for more information.

Installation includes downloading and installing the XL Bolt-On Data Collector, SQL Database, enabling IIS and OEE Audit and/or OEE Alert.

Commissioning includes setting up the database, configuring the Data Collector hierarchy, configuring OEE Studio and/or OEE Alert and validating the data – shift resets, job resets (if any), timeline events, etc.

Training includes one hour of training - guiding users through the basics of OEE Studio and/or OEE Alert and designating one user as point person to become subject matter expert on OEE Studio/OEE Alert (includes 2 hours if part of OEE Suite)

* 5-Pack is available only in the OEE Suite offering

*** - If you have already purchased the XL Bolt-On Data Collector - please call us for product pricing.

These are one-time costs. There are no annual maintenance or support fees. Updates are free of charge.
